Dear Rida,

I wish to express my solidarity with you in defence of your right to freedom of expression. I am sorry that you are being held in solitary confinement and not even allowed to see photos of your wife.

Amnesty International will continue to campaign for the amendment or repeal of all laws which punish the peaceful exercise of freedom of expression in Morocco, including Articles 263 and 265 of the Penal Code. No-one should be imprisoned for simply saying what they think.

I wish you well and hope sincerely that you will soon be released.

Yours in solidarity,
