# JAAFAR JAAFAR

Berlin, July 2021

Your Excellency,

In October 2018 the Nigerian journalist Jaafar Jaafar published video material which claimed that a Kano state governor was involved in bribery, allegedly showing him receiving huge sums from contractors.

This resulted in legal prosecution and threats to Jaafar Jaafar's life, and his family has been molested, too.

I ask you to drop all charges against Jaafar Jaafar. The Nigerian authorities must stop persecuting and harassing investigative journalists who reveal acts of bribery.

Yours sincerely,
